

Plan a Musical Production

1. As a group come up with a story/play/movie scene/concert you want to produce.
2. Think of a venue appropriate for the performance to be held.
3. Tell **WHY** it should be produced.
4. Who will sponsor/underwrite your production?
5. What is the storyline/theme of the performance?
6. Who is your audience?
7. When/Where does the story take place (50's, 60's, 70's etc. New York City, on a farm, foreign country etc.)
8. Who are the characters/performers in your performance?
9. What will the choreography be like (Tap dance, ballet, jazz dance, hip-hop, African etc.)?
10. What songs will be performed? Will they be original **OR** will you need permission/license to use them?
11. What style of music will be played?
12. How will music be played (live band, orchestra, track)
13. What will the scene/setting/backdrop look like? (include: set design, stage props, lighting, etc.)
14. What do the costumes and make-up look like?
15. How much will you charge to attend the event?
16. Include any other information that is pertinent to the production of this performance.
