1. Clap and count the rhythm.

2. Sing letter names and clap the rhythm.

3. With recorder on chin, sing letter names and finger the notes.

4. Play the song.

5. For problem spots, play the measure(s) a few times by itself.

6. When played correctly three times, play the entire piece again.

7. For a challenge, spend some time improvising or composing your own melody.

8. Always end with a song that you love to play. Give a little concert for your family!
